

Understanding English, communication and languages:

Narrative:

Story - Star in the Jar

Poetry:

The Colour Collector

Computing

We will develop our understanding of programming, looking at events and actions. We will also continue to develop our understanding of e-safety. We will look at passwords, our online footprint and creating/manipulating digital content.

Mathematical understanding:

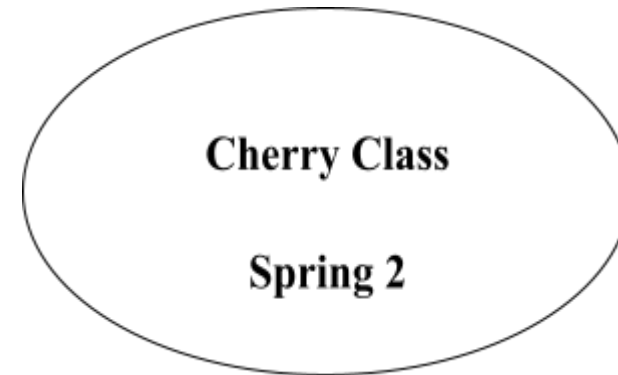

This year we will be following a scheme of work called Power Maths. Our first units of work focus on Money skills.

We will then look at statistics, collecting data, interpreting graphs and charts and drawing our own conclusions.

Scientific and technological understanding:

Forces and Magnets

We will investigate how far an object travels on a surface. We will investigate magnets and different materials to test whether or not they are magnetic.

French

This half term we will increase our vocabulary as well as practising our greetings.

We will look at naming musical instruments and fruit and vegetables.

Geography

Mountains and Volcanoes

In this unit pupils will develop an awareness of the Earth's structure. They will explore the main layers of the earth and look at tectonic plates. Pupils will learn how volcanoes and mountains are formed due to the effect of tectonic plates. They will explore different types of volcano and the products of a volcano. They will conduct a study looking at volcanoes can be seen as positive.

RE:

Desert to Garden

Throughout this term we will study the story of feeding the 5000, the Last Supper and Eucharist.

Children will describe, with increasing detail and accuracy, the prayers, religious signs, and actions of the Mass, focusing on the Liturgy of the Eucharist.

Understanding physical development, health and wellbeing:

Module Two – Created to Love Others

Unit 3 – Keeping Safe

Citizenship

P.E. – Dance and invasion game skills (Tuesday and Thursday)

Understanding the arts:

DT

We will be exploring the topic Digital World: Electronic Charm

Music

We will continue to learn about different styles of music and what makes them unique. We will learn key vocabulary to describe the music we hear with increasing accuracy.
