Maths

Unit 1: Numbers to 100

Unit 2: Addition and Subtraction

History

Local History: Exmouth Docks

2024

Autumn A

7 weeks

RE

Branch 1 – Creation and Covenant

Science

Living things and their habitats

- Explore and compare the differences between things that are living, dead, and things that have never been alive.
- Identify that most living things live in habitats to which they are suited and describe how different habitats provide for the basic needs of different kinds of animals and plants, and how they depend on each other.
- Identify and name a variety of plants and animals in their habitats, including microhabitats.
- Describe how animals obtain their food from plants and other animals, using the idea of a simple food chain, and identify and name different sources of food.

Computing

Computing systems and networks 1: What is a computer?

Art

Drawing - Tell a story

Craft and design - Map it out
