Summer 2 Willow Class

Art/DT

Y4/5: Textiles – Fastenings

Y5/6: 3D Sculpture – Making Memories

Geography

Climate across the world – How to we keep the vital balance?

In this unit pupils learn about the six main climate zones in the world. Pupils will learn what a biome is and explore the animals (fauna) and plants (flora) that live there. Pupils will build on their knowledge of climate change and what they can do to stop this.
