

Understanding English, communication and languages:

We will learn features of traditional tales inspired by the tale of Cinderella. We will then add an Egyptian twist linked to our History learning.

We will learn how to apply some specific aspects of grammar and punctuation, such as how to use speech marks to punctuation speech and how to use adverbs and conjunctions to express time and cause.

Texts

The Egyptian Cinderella by Shirley Climo

Mathematical understanding

Multiplication and Division

We will learn to multiply and divide using our focus times tables of 3's, 4's and 8's. We will also explore the relationship between multiply and divide. We will learn to multiply 2 digit by 1 digit and to divide a 2 digit number by a 1 digit number.

Length and Perimeter

We will learn different units of measurement and how to measure with these. We will add and subtract lengths and how to calculate perimeter.

Scientific and technological understanding

Forces and Magnets

We will:

- Compare how things move on different surfaces
- Notice that some forces need contact between 2 objects, but magnetic forces can act at a distance
- Observe how magnets attract or repel each other and attract some materials and not others
- Compare and group together a variety of everyday materials on the basis of whether they are attracted to a magnet, and identify some magnetic materials
- Describe magnets as having 2 poles

Historical, Geographical and social understanding

History

African History— Who were the Ancient Egyptians and what was life like in this period of history?

We will learn about the role of the pharaoh in Ancient Egypt and examine pyramids, mummification and conquest.

RE:

Branch 3— Galilee to Jerusalem— This branch is about the Kingdom of God which is not a place but a way of living and relating to each other. Each area adds to our understanding of the values we need to hold and the way we need to live to bring about the Kingdom. We begin with learning about the Epiphany and then we will look in depth at the Prayer, The Our Father.

French

Musical Instruments

We will learn different names of instruments in French.

Music

We will be learning to sing and perform a song. We will learn about working together to create a performance of The Dragon song.

Understanding physical development, health and wellbeing:

P.E

This term, it will be Gymnastics and Dodgeball.

PSHE/RSHE

Our unit this term is, **Created to love others— Keeping Safe**

We will explore our relationships with our friends and family. We will also learn about how to keep ourselves safe including online.

Computing

Computing Systems and Networks

We will learn how to send emails including adding attachments and how to write emails positively, considering the recipient.

Understanding the arts:

Art

We will explore Egyptian art and we will learn how to apply our design skills inspired by the style of ancient civilization.
