

St Joseph's Sports Action Plan including Sports Premium Funding Plan 2022-2023 Evaluated

At St Joseph's Catholic Primary School, Exmouth, the staff and Governors recognise the important contribution that PE makes to the health and well-being of the children.

We consider that a strong PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude, emotional and academic achievement of all pupils of all abilities, needs, backgrounds and ages. We are committed to ensuring that all pupils receive at least 2 hours of high quality curriculum PE per week as well as having the opportunity to attend a range of sporting clubs delivered by confident and well trained teachers. The successful delivery of the curriculum supports all aspects of health education within the school.

Through the local School Sports Partnership (SSP), we also take part in events and competitions alongside 14 other Primary schools in our local cluster, the Exmouth Academic Learning Community (EALC). Recently, we have been very successful at these events taking part in cross-country running, netball, Dartmoor 3-ball and Rounders to name but a few. A highlight for us was winning the local boys football tournament. Talented children are also signposted to local clubs and events to encourage them to develop their skills. Last year many events were cancelled due to Covid, we hope that once guidance allows they will be able to start again.

School Sport Premium:

From September 2013, all maintained Primary schools have been awarded the School Sports Premium funding. This money is ring-fenced and must be used to support the provision of quality PE and sport.

During the academic year 2022 - 2023, St Joseph's will receive approximately £17,330.
