Year 6 home learning

| Subject | Sent home | Due in | Frequency |
|-------------------------------|---|---------|----------------------|
| Spellings | Thursday | Tuesday | As required |
| Maths | Thursday | Tuesday | Flex / SATs revision |
| History / Geography / Science | Thursday | Tuesday | As required |
| Reading | <p>We expect the children to read at home daily.</p> <p>Please make sure that you regularly read with your child and discuss the books that they are reading. Please note: it is important to question your child about what they have read. eg. How do you think Tess felt when she left the house? Why? These open questions require children to use evidence from the text to support their judgements. It would also be useful if you could ask your child to collect new/unknown words from their book, find their meaning and share them with the class. I will add question stems to Google classroom – these are the ones we will be using in class and so the children will become familiar with them.</p> | | |

Secondary School Transition

It is at this time of the year when we are thinking ahead to September and the move to secondary school. Please let me know if you have particular concerns or questions that I can help you with or pass on to your child's secondary school staff. For those of you with children heading to ECC, this site has lots of information which may be of interest:

[Exmouth Community College - Transition — Joining in Year 7 \(exmouthcollege.devon.sch.uk\)](http://exmouthcollege.devon.sch.uk)

We recognise the importance of passing information between parents and school so I am available at the start and end of the day if you need to pass on any messages. However, if you would like a longer chat please make an appointment with me.

If you are able to support our learning with resources or would like to help in class, please let a member of staff know. We value your involvement in your child's education.

Yours sincerely,

Mrs Jukes and Miss Thompson
