

Understanding English, communication and languages:

Poetry—We will look at a poem based in the season of summer. We will then follow the structure of this poem to create a poem based on Autumn. We will then apply these skills in dependently writing about Winter.

Instructions— We will learn the features needed to write a set of instructions. We will then use these to write a set of instructions with the theme of our strong mind.

Texts

My Strong Mind— Neils Van Hove

Mathematical understanding

Addition and Subtraction—We will learn different methods for these operations and learn to solve practical problems.

Multiplication and division—We will learn the relationship between these two operations and learn to use methods to solve a variety of problems.

Scientific and technological understanding

Light

We will learn to:

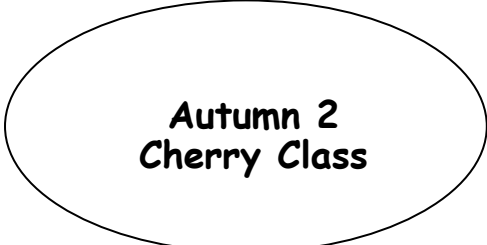

Recognise that they need light in order to see things, and that dark is the absence of light.

Notice that light is reflected from surfaces.

Recognise that light from the sun can be dangerous and that there are ways to protect their eyes

Recognise that shadows are formed when the light from a light source is blocked by an opaque object.

Find patterns in the way that the size of shadows change.

**Autumn 2
Cherry Class**

Historical, Geographical and social understanding

Geography

In this unit, children will take a look at the geography of the UK – from the physical features of mountains, rivers, seas to the man made administrative regions and counties. They will find out how the UK has changed over time.

French

I am learning French!

We will learn how to:

Pinpoint France and other French speaking countries on a map of the world.

Ask and answer the question 'How are you?' in French.

Say 'Hello' and 'Goodbye' in French.

Ask and answer the question 'What is your name?' in French.

Count to ten in French.

Say ten colours in French.

Seasons—Les Saisons

We will learn about the different seasons and how to talk about them in French.

Understanding physical development, health and wellbeing:

P.E

Volley ball and Netball.

PSHE/RSHE

Our unit this term is, **Created to love others.**

We will explore Unit 3 and 4, we will learn how to look after our emotional well-being as we get older.

Economic well-being - We will grow a greater understanding of money and how we use it in our lives.

RE:

Creation and Covenant— We will use scripture to learn about the Creation Story and reflect on how we can care for the world we live in.

Prophecy and Promise—We will learn about what happens at a Catholic Mass. We will explore signs and symbols.

Computing

E-Safety—We will constantly revisit themes for how to stay safe online throughout our topic.

We will learn how to make an animation using Scratch.

Understanding the arts:

DT

Eating Seasonally— We will learn about seasonal fruit and vegetables and learn how to use ingredients to make a final product.

Music

Enjoying Improvisation

We will celebrate a wide range of musical styles whilst learning how to read notation.
