## A Message from Governors

Dear Parents, Carers and Friends of St Joseph's

The last few weeks of this term are always exciting in school. The season of Advent prepares us to celebrate Christmas and the joy of Jesus' birth.

The children and staff have worked so hard to share this joy with us through their amazing story telling and performances. Thank you so much to all of you who have given your time, skills and support to make this a wonderful experience for the children.

It has been even more special this year as we have been able to bring our whole school community together in church. The children have also taken the Christmas message, through song, to our friends in the wider community.

**We would like to wish you and your families a Christmas filled with hope, joy, love and peace.**
